

# TWO HEIGHTS OF YOUR NET

## Tip to Tighten the Net

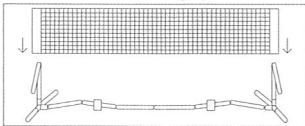

There is a kink in the bottom bar on both sides that has to be face up to tighten to the top part of the net.

### AT PICKLEBALL HEIGHT

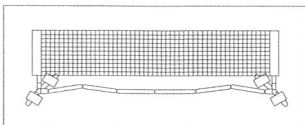

1. Unfold and connect all the poles to form the frame below.

2. Slide the net over the steel poles and rotate the two kinks facing upwards.

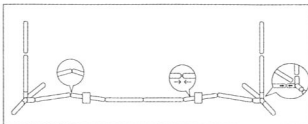

3. Height for Pickleball (3FT). During windy days you can put some weights on the base.

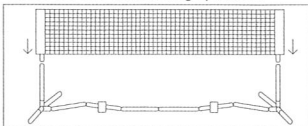

### AT BADMINTON HEIGHT

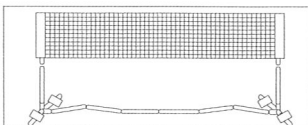

1. If you want to use this net to play badminton, assemble the top poles.

2. Slide the net over the steel poles and rotate the two kinks facing upwards.

3. Height for Badminton (5FT). Put weights on the base if necessary.

## RECOMMENDED COURT SIZE

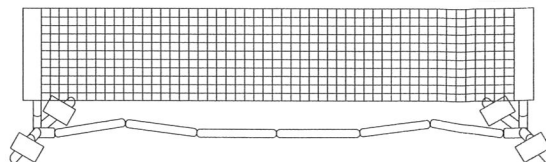

Size of court is 17 feet wide and 34 feet long. Width and length can be increased or decreased proportionately depending on the area available.

After determining the size, stick the landmark sticker on the ground along the net.
