

3D Printing

Make 3 dimensional pieces such as chess pieces, figurines, tools, jewelry, and more.

- Use an existing design from thingiverse.com or design your own.
- Submit file (.STL only) to 3DPrintClub@oswego.lib.il.us
- In your email, include your name, phone number, library card number, item description, the color you want your item printed in, and which library campus for pick-up.
- Your item will be printed in the order in which it was received.
- Completion time is usually three days to one week.
- The library may decline to print your item if there are issues getting it to print or if designs are violent, inappropriate, or violate copyright laws.

Library Card Required for 3D Printing

Cura Compatible software for creating 3D objects:

Tinkercad:
<https://www.tinkercad.com/>

Blender:
<https://www.blender.org/>

Use .STL format only

.....

3D Printers Available:

- LulzBot Mini

We currently offer printing using flexi filament PLA & HIPS plastics

After Your File Is Printed

- Staff will contact you by email or phone when your item is ready for pick-up. Print jobs will be discarded after one month, no exceptions.
- You must pay for your item at the circulation desk prior to pick-up.
- Staff are not responsible for removing supports or rafts from prints.

Pricing

The price is based on the final weight of your item (including rafts and supports).

Standard plastic: \$0.25/g

Specialty plastic: TBD
(available by special request)

Pricing Examples

T-Rex (107g, standard plastic)	\$26.75
Hedgehog (13g, standard plastic)	\$3.25
Eiffel Tower (1g, standard plastic)	\$0.25

You are not responsible for the cost of failed prints.
